The Notice on the processing of personal data in the VÚB Junior Banking mobile application (hereinafter referred to as the "Notice") supplements the main Notice on the processing of personal data for clients of VÚB, a.s., their representatives and contractual partners (hereinafter referred to as the "Main Notice"), which is published on the Bank's website in the "Personal Data Protection" section. As banking products and services are provided to the Bank's customers via mobile applications, the information contained in the Main Notice as well as in this document applies.

- VÚB Junior Banking (App Store | Google Play);

The functionality of the mobile application in connection with the provision of banking products and services may be subject to the conclusion of specific agreements, which are also subject to the Bank's respective terms and conditions.

Depending on the user using the application (e.g. as a parent who, as the legal representative of a minor, has concluded an agreement with the Bank in his/her favor or as a minor client in whose favor such a an agreement has been concluded by the parent), different user interfaces will be made available (see section 4.2).

The actual processing of personal data in the VÚB Junior Banking application is necessary for the Bank to be able to fulfil its obligations under individual contracts in the provision of banking products and services.

3.1 Data to which the VÚB Junior Banking mobile application has access

The VÚB Junior Banking mobile application may also access selected components of the mobile device for selected functions.

In particular, our application may require access to:

Camera - for example, because of the possibility of scanning QR codes for the purpose of activating the VÚB Junior Banking mobile application for children (however, please note that the code can also be entered manually without the need to start accessing the camera of the mobile device);

Please be assured that any data obtained in this way is not used for any purposes other than those set out in the Notice or the Main Notice.

Section 4 Legal basis, purpose and scope of the processing of personal data

4.1 The legal basis for processing your personal data is generally:

- The processing is necessary for the performance of a contract to which the data subject is a party or to carry out pre-contractual measures at the request of the data subject pursuant to Article 6(1)(b) GDPR;
- To comply with a legal obligation of the Bank pursuant to Article 6(1)(c) of the GDPR;
- Processing for the purpose of legitimate interests pursued by the Bank or a third party pursuant to Article 6(1)(f) of the GDPR.

The Bank provides its services on a contractual basis and its activities are regulated by a number of laws that require the collection and processing of personal data.

You have the right to object to the processing of personal data for the purpose of the legitimate interest of the controller or a third party.

4.2 Purpose and scope of personal data processed in the VÚB Junior Banking mobile application

The purpose of processing in the VÚB Junior Banking mobile application is primarily:

- The provision of banking services, other financial services and non-banking activities for which the Bank is authorized and the performance of its obligations in connection therewith;
- Protecting the Bank's legitimate interests and exercising legal claims;
- Providing the functionalities of the mobile application.

As the use of the VÚB Junior Banking mobile application is voluntary, personal data is processed only if you choose to use it.

The scope of the data processed also depends on which end user uses the application in question (i.e. parent or minor client).

The VÚB Junior Banking mobile application processes the following data within the user interface designed for minor clients:

- Data necessary for the provision of payment services and related operations (display of the list as well as the detail of the child's card transactions and account balance, requests to send money - including the amount and reason, interest in withdrawing cash from an ATM by mobile, confirmation of transactions, creation of a virtual card, overview of the card);
- Data in connection with the functionality of the application in question to create tasks for the minor client (after completion of which the child will receive a financial reward and marking of their performance);
- Identification and contact details of the application user (first name, surname, email address).

The VÚB Junior Banking mobile application processes the following data within the user interface designed for the parent of a minor client:

- Information about individual actions performed by the minor client in the VÚB Junior Banking application user environment (notifications about the child's card movements, a list of the child's card transactions, notifications about the request to create a virtual card for payment on the Internet);
- In connection with the functionality and purpose of the application, it processes data on the assignment of tasks, after completion of which the minor client will receive a financial reward, control of the completion of tasks, requests to send money;
- Data necessary for the provision of payment services and related operations (i.e. adding multiple children's cards to the app, account balance information);
- Identification and contact details of the app user (first name, last name, email address).

Section 5 - Recipients of personal data

The Bank processes your personal data mainly through its employees or persons in a similar relationship, who are bound by a duty of confidentiality and may process your personal data only to the extent and in the manner necessary for the performance of their duties.

We publish and regularly update a list or range of intermediaries (contractors) to whom your data may be disclosed in the context of the provision of banking or other financial services at https://www.vub.sk/o-banke/misia-hodnoty/#tab_5.

Section 6 – Transfer of personal data to third countries or to an international organization outside the European Union

In relation to the use of mobile applications, your personal data is processed only within the European Union. If, for technical or operational reasons, your personal data need to be processed outside the European Union, the Bank shall ensure compliance with the conditions for processing pursuant to the Regulation.

Section 7 - Period of processing of personal data

Your personal data is processed by manual and electronic means in a manner that ensures its security, integrity and availability. The period for which personal data is processed and stored depends on the purpose of the processing and is determined by the Bank, as controller, or by law. By default, this period is linked to the moment of termination of the use of banking products and services.

For more detailed information on the retention periods of personal data processed by the Bank, please refer to the Main Notice.

Section 8 – Rights of the data subject

Pursuant to the Regulation, as a data subject, you have rights vis-à-vis the Bank as the controller in relation to personal data processing:

- right of access according to Article 15 GDPR;
- right of rectification according to Article 16 GDPR;
- right to be forgotten according to Article 17 GDPR;
